

Save up to \$120  
on energy costs

**ENERGY STAR** certified room air cleaners are **25% more energy efficient** than standard models, and can save \$120 in electricity costs over the course of their life.

#### What does a room air cleaner do?

- Provides cleaner indoor air by capturing airborne particles and allergens, such as dust, pollen, smoke and pet dander
- Reduces unpleasant household odors, such as odors from pets, dirty clothes and sporting equipment
